

3. Audit (2nd stage)

- Preparation and sending to the Client of the audit plan.
- Verification and assessment of the Client's compliance with the Halal system requirements and their compliance with the requirements of the selected certification standard (GSO 2055-1:2015, GSO 993:2015, GSO 2055-4:2021, UAE.S 2055-1:2015, UAE.S 993 :2015, UAE.S 2055-4:2014, OIC/SMIIC 1:2019).
- Bringing to the attention of the Client the results of the 2nd stage of the audit with the preparation of the Report and the List of non-conformities (if any).
- Provision by the Client of the necessary evidence of the elimination of identified inconsistencies within the prescribed period.
- Evaluation of the effectiveness of corrective actions taken by the Client.

4. Certification decision

- The adoption by the Certification Board of a decision to issue a Halal certificate after confirmation by the performance team that the Client has completed all corrective actions in relation to identified non-conformities.
- Registration and issuance of a Halal certificate, the validity of which, subject to timely periodic assessments of the Client's Halal system, is three years.
